Ex-Officio-Magistrates.

In addition to the 72 cases pending at the close of the previous quarter. 119 were filed making in all, 191 cases for disposal. Of these, 122 were disposed of and 69 were left pending. The largest number pending was 51 in the Munsiff-Magistrate's Court, Kolar Gold Fields and it needs early reduction.

Bench Courts.

Of the 4,640 cases (against 4,125) that were for disposal, 2,146 (including 26 transferred) were disposed of and 2,494 (against 2,339) were left pending, with the result that there has been a rise in the pendency which is due to the fact that the disposals have not kept pace with the institutions in some of the Bench Courts noted hereunder.

	Institutions	*Disposals*
(1) First Bench Court, Bangalore	405	361
(2) Second Do	731	631
(3) Bench Court, Nelamangala	76	41
and (4) Do Tumkur	191	156

Of the total number of cases pending, 95 were pending over six months and the largest number of such cases was in the Bench Courts at Shimoga (38) Arasikere (20) and Chikmagalur (17).

Every endeavour should be made to reduce the pendency particularly the number of cases pending over six months.

III Appellate work.—Sessions Judges (4) (including the Additional Sessions Judge Bangalore).

(*a*) *Appeals.*

Taking both Regular and Miscellaneous appeals together, there were 239 (against 179) appeals for disposal. Of these, 151 were disposed of leaving a pendency of 88 appeals (against 109) (52, 15 and 21 in the Courts of Session of Bangalore, Mysore and Shimoga respectively).

(*b*) *Revision Petitions.*

Inclusive of 45 Revision Petitions pending at the close of the previous quarter, there were 72 (against 61) Petitions for disposal. Of these, 36 (against 16) were disposed of and 36 were left pending.

District Magistrates (8).

There were 70 Regular appeals and 52 Revision Petitions for disposal and out of them, 39 Regular appeals (including 6 transferred) and 21 Revision Petitions were disposed of leaving pending 31 appeals and 31 Revision Petitions.

Special Magistrates.

In addition to the 1 Regular appeal pending at the close of the previous quarter, there were 23 appeals for disposal.

Of these, 13 were disposed of (excluding 3 transferred) and 7 were left pending.

During the quarter under Review, special instructions were also issued to the District Judges and the District Magistrates with a view to check abnormal pendency of cases, sometimes even of a simple nature. Memorandum is being called for from each of the Subordinate Civil and Criminal Courts along with monthly, and quarterly statements of all old cases and appeals pending and the same is closely scrutinized and orders passed thereon. The District Judges and the District Magistrates have also been directed to watch the Progress made towards reducing the pendency of old cases in the Courts Subordinate to them and to send a report in the matter to the High Court every quarter together with recommendations as to the action to be taken in the case of the presiding officers of the Courts whose work is found to be unsatisfactory.

REVENUE DEPARTMENT

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE, BANGALORE.

Circular No. C. 1271—33-34, *dated* 24*th*—25*th October* 1933.

During the Representative Assembly Session of June 1933, some members complained that for want of information regarding the tour programme of officers, the public were put to much inconvenience. The complaint, in so far as it may be well founded, must be attributed to the fact that officers have not paid proper attention to the instructions issued in the undermentioned orders on the subject. It is therefore considered necessary to invite attention once again to these instructions.

1. Government Order No. R. 2564-72—L. R. 224-19-14, dated 21st August 1920, (*vide* page 4 of Supplement to the Mysore Revenue Manual).
2. Government Order No. R. 426-546—L. R. 69-27-1, dated 19th July 1927.
3. Revenue Commissioner's Circular No. R. Dis 34—Gl. 20-21, dated 13th July 1920 (*vide* Manual of Circulars issued by Revenue Commissioner).

In order to afford facilities to petitioners to make personal representations, Assistant Commissioners should draw up in each month programmes of their tour during the month, send copies thereof to the Deputy Commissioners and to the Taluks under their charge and also affix copies on the notice boards of their offices.

Similarly, Amildars should prepare in advance programmes of their tours, send copies thereof to their Divisional Officers and attach copies to the notice boards of their offices.

The officers should adhere to their pre-arranged programmes as far as possible and whenever they are compelled to deviate from them, they should immediately prepare modified programmes and give timely intimation of these to their superior officers as well as to the public (*vide* page 4 of supplement to the Mysore Revenue Manual).

Circular No. D. Dis. 832—33-34, *dated* 23*rd*—24*th October* 1933.

The following instructions are issued for the guidance of Village Officers for taking precautionary measures in cases of "apprehended danger" to tanks or other irrigation works; as for instance (1) when the soil in the rear gets sloppy and sinks or shows a tendency to sink, (2) where the percolation water which was clear before, turns muddy or increases in volume, (3) where the leakage increases in size or volume, (4) where slips are tending to develop, etc.—

(1) Information regarding the condition of the tank should be immediately sent either "Muddam" or by "wire" if there is a Telegraph Office at or near the place, to the nearest Revenue or Public Works Department Officers. Intimation should also be sent to the villagers lower down in the same valley so that the raiyats of those villages may be prepared for any emergency in case a breach occurs.

(2) Simultaneously they should muster all able-bodied men available in the village or villages nearby and lower the weir or cut down the high ground or bund at the flanks below the weir level, in order to reduce the water level in the tank to a safe limit.

(3) In all cases of apprehended danger to the bund, the sluices should be kept open to let down the water in the tanks except when the sluice is leaky.

(4) Leaks in the bund should, on no account, be attempted to be closed from rear, but only from the front by dumping a large quantity of earth on the revetment face in the direction of the leak and pressing balls of wet clay inside hollows, if any.

(5) Arrangements should be made to collect and keep ready a good quantity of stone and jelly so as to enable jelly drains and revetment being provided if considered necessary by the Public Works or Revenue Officers when they arrive at the site on receipt of intimation.

(6) The Deputy Commissioners are requested to arrange to have the above instructions conveyed to all Patels. The Amildars and the Huzur Jamabandy Officers may take the opportunity of Dittum and Huzur Jamabandies to explain them to the Patels.

N. MADHAVA RAU,
Revenue Commissioner.

JUDICIAL DEPARTMENT

HIGH COURT OF MYSORE, BANGALORE.

No. P. 10-4—32-33, *dated* 26*th*—30*th October* 1933.

REVIEW OF THE WORK TURNED OUT BY THE SUBORDINATE CIVIL COURTS IN THE STATE DURING THE QUARTER ENDING JUNE 1933.

District Judges' Courts (4) (including the Additional District Judge's Court, Bangalore).

I. Original Suits.—Inclusive of 233 Original Suits pending at the close of the previous quarter, there were for disposal 244 suits during the quarter under Review. Of these, 13 Suits (2 contested and 1 uncontested by the District Judge, Bangalore, 8 contested by the District Judge, Mysore, and 1 contested and 1 uncontested by the District Judge, Shimoga) were disposed of and 231 Suits (125 in the District Judge's Court, Bangalore including the Additional District Judge's Court, 51 in Mysore and 55 in Shimoga) were left pending, with the result that on the whole, the pendency was reduced by 2 cases.

Subordinate Judges' Courts (3).

There were pending 478 Original Suits at the close of the previous quarter and subsequently 55 were filed, making in all 533 Suits for disposal. Of these, 46 Suits (9 contested and 9 uncontested by the Sub-Judge, Bangalore, 4 contested and 6 uncontested by the Sub-Judge, Mysore and 13 contested and 5 uncontested by the Sub-Judge, Shimoga) were disposed of leaving a pendency of 487 Suits at the close of the quarter, with the result that there was a slight increase in the pending file by 9 cases, which is due to intervention of summer vacation.

Munsiffs' Courts (24).

At the close of the previous quarter, there were pending 11,371 Original Suits and since then, 4,100 Suits were instituted making a total of 15,471 Suits for disposal. Of these, 3,212 Suits (910 contested and 2,302 uncontested) were disposed of and 12,259 Suits were left pending with the result that there was a slight increase in the pending file by 888 cases.

During the quarter under Review, the Courts were closed for summer vacation for six weeks from 3rd April to 13th May 1933 and the slight rise in the pendency as above in spite of a large number of disposals, *viz.*, of 3,212 Suits, during the comparatively short period of one month and a half, for which the Courts worked during the quarter, was due to the institution of a large number of Suits (4,100) after the re-opening of the Courts.

Subordinate Judge's Courts (3).

II. Small Cause Suits.—There were pending 2,411 Small Cause Suits from the previous quarter and 2135 were instituted since, making a total of 4,546 Suits for disposal during the quarter. Of these, 1,949 Suits) 384 contested and 1,565 uncontested) were disposed of leaving a pendecy of 2,597 Suits, the slight rise in the pending file by 186 being due to reasons similar to those set forth in respect of original Suits above.

Munsiffs' Courts (25) including the Second Class Magistrate's Court, Shimoga.

Three thousand, eight hundred and ninety-four Small Cause Suits were pending in all the Munsiffs' Courts at the close of the previous quarter and 4,180 were subsequently filed, making in all 8,074 suits for disposal. Of these, 3,277 Suits (408 contested and 2,869 uncontested) excluding 98 cases transferred were disposed of, leaving a pendency of 4,797 Suits, the rise in the pendency being due to the same reasons given above.

Appellate Work.

District Judges' Courts (4).

The number of institutions of appeals of both Regular and Miscellaneous during the quarter was 152 and 45 respectively,

Inclusive of 1,275 Regular and 265 Miscellaneous Appeals pending at the close of the previous quarter, there were 1,427 Regular and 310 Miscellaneous Appeals for disposal. Of

these, 67 Regular (50 contested and 17 uncontested) and 42 Miscellaneous Appeals (25 contested and 17 uncontested) were disposed of and 264 Regular and 43 Miscellaneous Appeals were transferred, leaving a pendency of 1,096 Regular and 225 Miscellaneous Appeals (611 Regular and 119 Miscellaneous Appeals in the Courts of the District Judges, Bangalore, including the Additional District Judge, 249 Regular and 47 Miscellaneous Appeals in Mysore and 236 Regular and 59 Miscellaneous Appeals in Shimoga).

Subordinate Judges' Courts (8).

Inclusive of 324 Regular and 22 Miscellaneous Appeals that were pending at the commencement of the quarter, there were 598 Regular and 66 Miscellaneous Appeals for disposal (including the appeals received by transfer, re-admitted, etc.,). Of these, 97 Regular (excluding 2 Regular appeals re-transferred) and 11 Miscellaneous appeals were disposed of and the rest, *viz.* 499 Regular and 55 Miscellaneous Appeals were left pending.

The main reason for the increase in the pendency of all kinds of cases at the close of the quarter under review, is the intervention of the vacation of six weeks during the quarter and to the heavy institutions after the re-opening of the Courts.
